

## Code of Conduct for CIF-RIG Groups.IO

Members will be required to –

- Adhere to the governing principles of participation, transparency, responsiveness, consensus, equity and inclusiveness, effectiveness and efficiency, and accountability.
- Foster a respectful and kind community environment.
- Encourage the ongoing collaboration among members for sharing, learning, and engaging.

Please do not:

- Post job vacancies or solicitations.
- Use offensive language or content. This will result in the deletion of your message and potential removal from the email group, depending on the severity of the offensive content.

Please note:

- The message board will have light moderation and any topic that is not CIF-RIG specific or relevant to infant feeding practices, nutrition, or COVID-19 may be deleted.
- If you are posting research findings, please disclose the funding sources for the work.
